Application for Tuition Aid

Folsom Educational Academy (FEA) tries to provide tuition aid for eligible students. To be eligible, the gross household income should be within a specific range. Based on the family's income and the school's available resources, a tuition discount will be determined. Refer to the table below for guidelines on the eligibility criteria.

NUMBER OF CHILDREN	INCOME NOT ELIGIBLE FOR TUITION AID
1	More than 45k/year
2	More than 50k/year
3	More than 55k/year
4	More than 60k/year
5+	More than 65k/year

Note: Registration fee will be waived for approved applications

Please submit the following documents as proof of income to support your application (for both parents):

- Recent tax returns
- Pay stubs (for the past three months)
- Other supporting documents (child support, benefits etc)

Students receiving tuition aid will be required to maintain satisfactory academic progress. Parents are responsible to ensure that performance standards are met by their child. A student will not be eligible for tuition aid if the student does not meet the academic progress requirements.

Eligibility does not guarantee admission. Admission will also depend on other factors such as the number of students in the specific class and the quota of students admitted with tuition aid.
