Application for Financial Aid
2025 - 2026 Academic Year

Folsom Educational Academy (FEA) tries to provide financial aid to eligible families. The amount of financial aid is determined based on the family's income and the school's own resources.

Students receiving financial aid will be required to maintain satisfactory academic progress. Parents are responsible to ensure that performance standards are met by their child. Students will not be eligible for financial aid if the student does not meet the academic progress requirements.
Satisfactory academic progress means that students must not have a failing grade "F" in ANY subjects. Student's academic progress will be evaluated every trimester for redetermination of eligibility. Students who receive an "F" in a trimester will continue to receive financial aid contingent upon them and their parents following the agreed upon intervention plan. Satisfactory academic progress will determine eligibility for the next school year.

Note: The registration/material fee will be waived for approved applications. Eligibility does not guarantee admission. Admission will also depend on other factors such as the number of students in the specific class and the quota of students admitted with financial aid. Please fill the application below. Your information will be dealt with high confidentiality.
